

Danscentre Party Information

Choose your date and let us do almost the rest!

The party will last one and a half hours and will take the following form:

On arrival at Danscentre the children can change into costume if appropriate. They will then spend approximately 50 minutes to 1 hour warming up, playing games and working on a dance routine. Naturally this will star the birthday girl or boy! We have various themes that we can follow such as 'Nutcracker' or 'Peter Pan' or alternatively we can offer a funky routine following a favourite chart group or hit. Just let us know your preference and we shall arrange the choreography to suit. Parents are not encouraged to watch this part of the party as it can be very distracting for both the children and the leaders!

The children will present the whole routine to Mum/Dad and any helpers at the end of the dance session. You can bring in the birthday cake at this point and take photos if you wish.

A studio will be set aside for you so you can serve up your own party food. We set aside 30 minutes for this. We can cut up the birthday cake and put it in the party bags if you wish - just ask the girls to help. Tables, chairs and table cloths are provided. Please ensure the studio is left clean and tidy. Enjoy!!
